

MEMBERSHIP APPLICATION FORM

Thank you for your interest in the Kelmscott Community Garden! We trust that you will find your association with the Kelmscott Community Garden to be a rewarding experience. The success of the garden depends on the efforts of our volunteers, friends & members. If you would like to be involved, please fill in this form indicating your preferences.

Gardening at KCG

Communal gardening must be entered into in the spirit of community building. The Committee asks that members contribute in a small way to developing and maintaining community areas of the garden and in return produce may be shared. It is difficult to ensure that produce is distributed evenly and some members may do much more work than others. We ask that all members recognise that this garden is really about building community, working together and sharing good times. Produce sharing is a by-product of this work and should be taken with fairness in mind.
